# 2017 Swim Programs

## ≈ Learn-to-Swim

\$60

Learn-to-Swim teaches aquatic and safety skills in a logical progression. The objective is to teach people to swim and to be safe in, on, and around the water. Skills are categorized into six levels. The levels and objectives are:

### Level 1: Introduction to Water Skills

Helps to orientate participants to the aquatic environment & teach them the basic skills for movement in the water & teach rhythmic breathing & breath control.

### Level 2: Fundamental Aquatic Skills

Participants begin to perform skills at a slightly more advanced level and learn how to move on their front and back using alternating and simultaneous arm and leg actions.

### Level 3: Stroke Development

Participants learn to swim the front crawl and elementary backstroke. They are introduced the scissors and dolphin kick, survival float and treading water.

### Level 4: Stroke Improvement

Participants learn the arm actions for the scissor kick and breast stroke kick and begin performing these strokes. They begin to learn the back crawl and butterfly strokes. Begin to learn the open turn at the wall.

### Level 5: Stroke Refinement

Participants refine their performance of all 6 swimming strokes (front & back crawl, butterfly, breast stroke, elementary back stroke & side stroke)

### Level 6: Swimming & Skill Proficiency

This includes Fitness Swimming, personal water safety and fundamentals of diving. Helps to increase Swimming stamina and proficiency.
